WELCOME to!

Hands-on House

Hands-on House is a children's museum dedicated to helping kids ages 2 to 10 learn – and making sure they have lots of fun in the process! Our shared educational experiences bring the whole family together.

Hands-on House features thousands of sights, sounds, and sensations of all kinds, designed to stimulate and educate. Through a kaleidoscope of exhibits, classes, and programs, Hands-on House helps children learn by doing.

What makes Hands-on House so special?

You'll see and do things you can't find anywhere else. The museum is full of the local flavor of Lancaster County, Pennsylvania and offers learning experiences that truly are unique.

Our philosophy of childhood learning is simple: it lasts longer if it's more fun, and it's more fun if it

includes doing something. The exhibits, classes and programs are short on lectures and long on interactive activities that involve both kids and adults.

We offer exciting opportunities...

Like birthday parties, classes, special events and activities, and reduced group rates. Our "Discovery to Go" programs bring the magic of Hands-on House to your school. Call 717/569-KIDS or visit www.handsonhouse.org for information and reservations.
